ATTENDANCE POLICY: Allegro respects and values the busy schedules and multiple priorities of its families. We also have a responsibility to all Allegro singers to ensure that our rehearsals are effective and well-used. Therefore, Allegro expects its singers to miss no more than ONE rehearsal for every concert preparation period. Any absences beyond ONE may require a make-up rehearsal. If a student's attendance record is deemed by the director to be a detriment to the choir, as a whole, he or she may be asked not to perform in the following concert.
