

High School Musical Audition Sides

Troy

Gabriella, what you heard yesterday, none of that is true. I was sick of my friends riding me about singing with you, and I said things I knew would shut them up.

Sharpay

Did you Google that Montez nerd like I asked? I need you to plant those Print-outs in Taylor's locker ASAP, okay? That way we can make sure Gabriella gets into school activities that keep her far away from our musical!

Ms. Darbus

A very reliable source has told me that you and your all star son are planning some kind of practical joke in my chapel of the arts. But I won't allow Juliet and Romeo to be made into a farce. If Troy is actually serious about auditioning for the musical, he will have to prove it!

Gabriella

Guess What? I don't want to do the callbacks either! Who were we kidding? I'll do the science Decathlon, you win your championship. It's where we belong. Go Wildcats!

Chad

That's not even a possibility, Ms. Darbus- Your Honor, sir - because we have basketball practice.
